

## WAR AND TOLLS QUESTIONS MIX IN THE HEARING

WASHINGTON, April 21.—In defense of the Panama tolls exemption former attorney general Charles J. Bonaparte, of Baltimore, told the senate canal committee that advocates of repeal could not escape from the position that the United States, in case of war, would be bound to permit its enemy to use the canal.

"If we were at war with Japan," he said, "our garrison at the isthmus would be mere idle spectators to the peaceful passage of a Japanese fleet to attack New Orleans or New York. If we were at war with Germany the troops would look tranquilly on while German vessels traversed it to take San Francisco. The net result of our enormous expenditure for the construction of the canal would be to make our coast much more vulnerable than it was before."

### 3500 PAINTERS STRIKE.

SAN FRANCISCO, April 21.—Journeymen painters in San Francisco, San Mateo, Marin and Alameda counties have quit work to enforce a demand for an advance in wages of 50 cents a day. It is said by union officials that 3500 are on strike.

## NOSE AND HEAD STOPPED UP FROM COLD OR CATARRH, OPEN AT ONCE

My Cleansing, Healing Balm Instantly  
Clears Nose, Head and Throat—  
Stops Nasty Catarrhal Discharges.  
Dull Headache Goes.

Try "Ely's Cream Balm."  
Get a small bottle anyway just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head, or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm

dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages, stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.  
Don't lay awake tonight struggling for breath with head stuffed; nostrils closed, hawking and blowing; catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless.  
Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Agent, Bisbee Drug Co. Adv.

## IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is a sign you have been eating too much meat which forms uric acid.

When you wake up with backache and dull misery in the kidney region generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; moving all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Adv.
